

# Keshet Ann Arbor

A Hebrew Language Program for High School Students  
2939 Birch Hollow Drive Ann Arbor, MI 48108 (734) 222-0248 [milka@umich.edu](mailto:milka@umich.edu)

April 2008

**Dear Havurah Parents,**

As you are helping your high-school age child get ready for the next school year, consider Keshet – a growing academic program for high school students that has been a hit with many teens in town. Keshet offers Modern Hebrew as a foreign language with the option of receiving high school credit just as if one took Spanish, Latin, or any other language at their school. This is possible through the “CR” (community resource) program of the AAPS.

Keshet has no religious affiliation, and students come from all walks of the Jewish community in town. We promote no ideology; our business is language teaching. All Keshet teachers are professional, certified teachers; some of them are University of Michigan Hebrew Instructors, and they all have extensive teaching experience and a passion for quality language instruction.

We offer four levels – from complete beginners to advanced, with small class size to ensure maximum attention and progress for each student. We believe in active, student-centered learning and communicative teaching. Keshet meets twice a week for a total of 4 hours, with an additional hour of homework every week. Please note that some students at Keshet do not take it for credit, an indication of their true passion for the language and of our appeal as a program.

Please join us at our Open House, see information attached. I would be delighted to answer any questions, and to open the program’s doors to you and your children.

Looking forward to hearing from you,

Milka Eliav  
Keshet Coordinator

# Hebrew for High School Credit
